AFFIDAVIT AND CERTIFICATION OF BUSINESS RECORDS

Lila Leonard, upon her oath, states as follows:

1. I am the Vice President for Finance at Rollie Williams Paint Spot ("Rollie Williams").
2. As an officer and authorized custodian of business records for Rollie Williams, I certify that I have personal knowledge of all of the matters set forth in this affidavit and certification.
3. I certify that I created the chart attached hereto as **Exhibit A** from the sales records of Rollie Williams. The chart is an accurate summary of all Rollie Williams' sales records related to the Dygert Seating Division of Flexsteel Industries and for the years 1997-2002. As part of Rollie Williams' regular business practice, the sales records were created by Rollie Williams employees with personal knowledge of the sales information. The sales records were created at or near the time of the occurrences recorded in the sales records.
4. In the "unit" field on **Exhibit A**, "EA 5" and "A Fiv" mean a 5-gallon bucket of the item listed in the "item desc" field. "A gal" means one gallon. "A Pt" means one pint. The "Qty" field describes the volume purchased.
5. Rollie Williams' sales records indicate that the Dygert Seating Division of Flexsteel purchased 1 gallon of xylene and one 5-gallon bucket of methylene chloride in 1997, one 1gallon bucket and five 5-gallon buckets of methylene chloride, and 1 gallon and one 5-gallon bucket of mineral spirits in 1998, two 5-gallon buckets of methyl ethyl ketone (MEK) in 1999, eleven 5-gallon buckets of methylene chloride in 2000, and six 5-

gallon buckets of methylene chloride in 2001.

6. This affidavit and certification is given in lieu of a personal appearance in court or any other proceeding to authenticate these same records.

I hereby declare, under penalty of perjury, that the foregoing representations are true and correct.
